

 ***King of Safety.***

You set the standard. We meet it.

Canadian men and women rely upon Big K. They work hard to play hard. Our philosophy is helping individuals and families preserve their standard of life. It all starts with safety on the job.

That is why our research and development department strives to make our garments and accessories tougher, more versatile and more practical than those of our competitors. In short, our products outperform and outlast all others. 50 years in business is proof that we know what our customers want and we deliver it!

Our customers know their business too. They recognize top quality and demand fair and competitive prices. Big K products are guaranteed top notch and our prices rock bottom. When we say Canadian Gold Standard we mean value without compromise.

Big K products are designed to meet and exceed expected formal industry standards in every category. You can confidently purchase all Big K products.

MOVE OVER VERSACE!

You might not find us on the runway in a Paris fashion show, but you will see us on the runways of Canada's airports – in places where people get things moving across this great nation. You'll find Big K on

the streets keeping traffic rolling, at construction sites ensuring workers' safety, in cross walks near where children play and study – wherever people and safety matter, that's where you'll find Big K at work.

FIRED UP!

At Big K we are all fired up about fire protection. Fire is serious business and our R&D department has pulled out all the stops to design and create garments that are practical, yet serve a most important function – fire safety. Wherever fire hazard is a possibility, you will find Big K FR clothing on the front lines that is what they are designed for. We challenge you to put them to the test. After all, they are designed to take the heat!

Meets CAN/CGSB
155.20 (ASTM F1506)
Standard for Flame Resistance set
forth by regulating authorities in Canada.

Cleaners

WORK SMART
WORK SAFE

Heavy duty and safe are two key words associated with Big K's PPE cleaners. Unlike common cleaners, these are safe to use on most standard finishes including paint and glass.

Industrial, Marine and Home Use

BK-SC-14 • 5 Sizes

Industrial strength and environmentally friendly all-purpose cleaner is tough on grease and grime. Because SC14 is biodegradable with a near-neutral pH balance it is user friendly yet able to cut through soil and hydrocarbons, while remaining safe for use on paint, diamond plate and polished metals. It contains no caustic materials commonly found in other cleaners and therefore, will not harm sensitive surfaces or tools. It is safe for most equipment, machines, floors, metals and fibreglass.

Turnout Gear & PPE Cleaner

BK-SQ • 5 Sizes

Citrosqueeze PPE and lifeline cleaner is suitable for use on all your Personal Protective Equipment including standard fabrics, fire retardant fabrics, KEVLAR and more. It is also safe for mechanical equipment, concrete and epoxy floor surfaces, glass and signage. Keeping PPE clean is a big part of safety; it ensures hazardous grimes and greases are removed, helping to prevent a wide range of potential accidents.

Fire Stations & Equipment

BK-SC14RED • 5 Sizes

Our all-purpose cleaner is biodegradable and environmentally safe with its near-neutral pH balance. It safely removes grease, grime, soil and hydrocarbons, yet is safe for use on metal, rubber and other sensitive surfaces. Station One is great for trucks, equipment SCBA tanks, imaging cameras, most rubbers, helmets, hoses, epoxy and concrete floors and a whole lot more!
